

Dear Members & Friends of Ahavas Torah,

It is my pleasure to inform you of the annual Oregon NCSY led fundraising event, "The Q!" For those who do not know, we at Olami Oregon are directly funded and connected to NCSY, and many of the students who we service at Olami are alumni of NCSY.

What is the Q?

On Jan 22rd, 2022, NCSY will be hosting its 14th annual Q fundraising event. This year you will gather your team in to one location, enjoy awesome food and compete virtually against the other teams. The Q is the best multimedia trivia competition and by far the hippest event of the year. All proceeds go towards supporting the work of NCSY, and by extension, Olami Oregon. Your investment will inspire a future generation of leaders through its impactful and educational programming. All sponsorships are tax deductible under the 501C3 #13-5623717. More information about NCSY can be found at oregon.ncsy.org/about-us/ncsy.

What if I can't participate, but would still like to donate?

Not a problem! On the registration page for the Q, there is an option to select just for making a donation. You can also go to: <https://oregon.ncsy.org/donate/>, and write "For Olami Oregon" in the comments/designation section.

Thank you for supporting our initiative! Through the contributions of people like you, we can continue our efforts of inspiring connection to Judaism amongst students and the broader Eugene community.

Wishing Much Bracha,

Moshe L. Drukman
